★★★★★ **Terrific Taco Plate!**

By Pierrot on September 19, 2016

Verified Purchase

We do Taco Tuesdays, and I have been looking for a gift for my daughter "The Cook". These are just perfect! No only do we have the upright holders for her tacos, but now we have separate places for beans, salad, rice, olives or sour cream. The tacos stay crisper now!

★★★★★ **Great product for the price!**

By Lou G on February 22, 2015

Verified Purchase

Great product for the price. The photo shown looks almost what my 3 tacos I made when I first tried it. So handy to keep taco shells upright, whether solid shells, or fried soft shells, or plain flour tortillas. I bought a set for my Dad in NM also, and he likes them!

★★★★★ **Great!**

By Patrice Salinas on May 16, 2015

Verified Purchase

At first I didn't think the holders were deep enough. But I was wrong. These were so nice for serving tacos and some sides. I wanted them for dominoe night, they were perfect. And such colors! My friends loved them. I would definitely recommend.

★★★★★ **Absolutely LOVE these plates**

By Deana Gascoigne on August 24, 2016

Verified Purchase

Absolutely LOVE these plates. I use them in our camper. We love hard shell tacos and these make dishing up for a meal very easy. They aren't very big if you want large servings of sides (beans, rice, etc...) but you can always go back for seconds. The important thing is that making your tacos is a breeze! When camping we don't always have a "table" to sit at so we are sitting in chairs to eat. These plates are light weight and easy to hold onto.

★★★★★ **Fun and functional**

By Renata P. on July 25, 2015

Verified Purchase

My husband and I love tacos and always fight to keep them upright when filling them up. These plates allow you to fill three tacos and keep them from tipping over and spilling the goods. LOL  
The two areas at the front are great for rice and beans. We love taco night at home even more now.

These plates work great for taco night. It's so nice to have the tacos keep falling over on the plate. My granddaughters love them and enjoy picking out the color that want for that meal. Anyone who eats tacos will enjoy the convenience of use.
